

COMPLETE LIST OF PUBLICATIONS BY LOUIS S. THOMPSON

- [**High Speed Rail: California in Context, Chapman University Conference on High-Speed Rail**](#), Chapman University, Orange, CA, Louis S. Thompson, March 20, 2019
- [**What is Rail Efficiency and How Can it be Changed?**](#) Discussion Paper No. 2014-23, International Transport Forum, Paris, November 2014. Louis S. Thompson and Heiner Bente.
- [**Alternative Funding and Financing Mechanisms for Passenger and Freight Rail Projects**](#), NCRRP Report 1, Transportation Research Board, 201, CPCS, HWTSK, TGA, First Class Partnerships and Portscape. Louis S. Thompson.
- [**Past and Future of Intercity and Commuter Rail Passenger Service in the U.S.**](#) Institute for Transportation Economics, "Transportation and Economy," Tokyo, July 2014. Louis S. Thompson.
- [**Peer Review of Freight Railway Development in Mexico**](#). Report of the International Transport Forum, February 2014. Steve Perkins, Paul Amos, Jorge Kohon and Louis S. Thompson.
- [**Recent Developments in Rail Transportation Services - Issues Paper**](#). Organisation for Economic Co-operation and Development, Working Party No. 2 on Competition and Regulation, June 17, 2013.
- [**Developments in Rail Organization in the Americas, 1990 to Present and Future Directions**](#). Louis S. Thompson and Jorge C. Kohon, [Elsevier, Journal of Rail Transport Planning & Management, Volume 2, Issue 3, 10 December 2012, Pages 51-62.](#)
- [**Railway Infrastructure in Sub-Saharan Africa**](#). Louis S. Thompson. Africa Infrastructure Investment Report, Commonwealth Business Council, London, March 2013, page 130.
- [**A Further Look at the Staggers Act: Mining the Available Data**](#). Gerard J. McCullough and Louis S. Thompson. Elsevier, Research in Transportation Business and Management, 2012, 10.1016/j.rtbm.2012.11.009.
- [**We Keep On Truckin': Trends in Freight Energy Use and Carbon Emissions in 11 IEA Countries**](#). Jiyong Eom, Lee Schipper and Louis S. Thompson. Energy Policy #45, June 2012, pages 327-341, Elsevier Publishing.
- [**Workshop Report - Measuring Investment in Transport Infrastructure**](#). Paris, France, February 9 and 10, 2012. Prepared by Louis Thompson of Thompson, Galenson & Associates, LLC.
- [**Reforming Europe's Railways - Learning from Experience**](#). Second edition 2011, produced by Jeremy Drew and Johannes Ludewig. Published by the Community of European Railway and Infrastructure Companies - CER, Brussels, Belgium.

- Louis S. Thompson, **Transport, Environment and Institutions: Why Good Science, Engineering and Economics Fail**, in Rothengatter, Hayashi and Schade editors, "Transport Moving to Climate Intelligence," Springer Science+ Business Media, New York, 2011.
- **In the Matter of the dispute between AS Eesti Raudtee and AS Spacecom**, Statement of Louis S. Thompson, January 20, 2011.
- **High Speed Rail Passenger Services: World Experience and U.S. Applications (corrected version 9-20-11)**, Yuki Tanaka, Louis S. Thompson. Report prepared with the support of the Institution for Transport Policy Studies, Japan International Transport Institute (JITI), Tokyo, Japan.
- **High-Speed Rail in the U.S. - Potential and Impact on CO2 Emissions**, Yuki Tanaka, Louis S. Thompson, Lee Schipper, Andrew Kosinski, Elizabeth Deakin, prepared for the 12th World Conference on Transport Research, July 11-15, 2010, Lisbon, Portugal.
- **A Vision for Railways in 2050**, Louis S. Thompson, prepared for the International Transport Forum 2010, Leipzig, Germany, May 26-28, 2010.
- **Liberalization and Commercialization of the World's Railways: Progress and Key Regulatory Issues**, Louis S. Thompson, prepared for the International Transport Forum, Leipzig, Germany, May 26-29, 2009.
- **Railway and Ports Organization in the Republic of South Africa and Turkey: The Integrator's Paradise?** Louis S. Thompson, January 2009. Discussion Paper No. 2009-5 prepared for the OECD/ITF Round Table of 5-6 February, 2009 on Integration and Competition Between Transport and Logistics Businesses.
- **Railway Access Charges in the EU: Current Status and Developments Since 2004**, Louis S. Thompson, December 2008. This report, which is also available on the [International Transport Forum \(ITF\) Website](#), updates the information on rail infrastructure charges published in Railway Reform and Charges for the Use of Infrastructure, OECD-ECMT 2005.
- **Full version of Table Three** from ITF report. Railway Access Charges in the EU: Current Status and Development Since 2004.
- **Public Transportation in the U.S.: History and Current Status**, Louis S. Thompson, March 17, 2008.
- **Competitive Tendering of Rail Services**, Published by the European Conference of Ministers of Transport, October 2007.
- **Spoornet and Transnet Sectoral Reference Paper**, Report for the World Bank and the Government of the Republic of South Africa, Louis S. Thompson, October 31, 2007.
- **TRN-36: Railways in Development: Global Round-Up 1996-2005**, Paul Amos and Louis S. Thompson, September 2007. This Transport Note was prepared as an adjunct to the 2006-07 updating of the [World Bank's Railways Databases](#).

- Key Trends and Implications for Policy Change in Long-Term Rail Freight Traffic and Infrastructure by Louis S. Thompson. Chapter 5 in OECD publication **Infrastructure to 2030 (Volume 2): Mapping Policy for Electricity, Water and Transport**, available August 2007.
- **Railway Accounts for Effective Regulation**. Published May 2007 by the European Conference of Ministers of Transport (ECMT).
- **Regulatory Reform of Railways in Russia: An Update as of April 2007**. Prepared by Louis Thompson of Thompson, Galenson & Associates, LLC for the European Conference of Ministers of Transport (ECMT) and Organisation for Economic Co-operation and Development (OECD). The Report forms part of the OECD's program of cooperation with the Russian Federation.
- Statement of Louis S. Thompson, In the matter of the dispute between AS Eesti Raudtee and AS Spacecom, Tallinn City Court, Judge Piret Randmaa Presiding, Civil Matter Number 2/31-7903/04, March, 2007.
- Louis S. Thompson, **"Assessing the Long-Term Outlook for Current Business Models in the Construction and Provision of Rail Freight Infrastructure and Services,"** OECD, Paris, July 2006
- **Options for Federal Ownership of the Northeast Corridor (NEC) Infrastructure**. Louis S. Thompson, January 2006.
- Louis S. Thompson, **"Competitive Tendering in Railways: What is Experience Telling Us?"** Paris, ECMT, November 2006.
- Louis S. Thompson, **"Railway Accounts for Effective Regulation,"** Paris, ECMT, September 12, 2006
- Stephen Perkins and Louis S. Thompson, **"Mixed Signals on Access Charges,"** Railway Gazette International, Jan 2006.
- Anna G. Belova and Louis S. Thompson, **"RZD Reform Makes Good Progress,"** Railway Gazette International, October 2005.
- Louis S. Thompson, **"Rail Reform in The United States, Japan and Latin America,"** from Reforming Europe's Railways – Experience in 10 Countries, E.U. Rail Press, Brussels, 2005.
- Louis S. Thompson, **"Railway Reform,"** Railway Gazette International, July 2005.
- **Rail Reform and Charges for the Use of Infrastructure: Conclusions and Recommendations**. Published by the European Conference of Ministers of Transport, November 2005.
- Louis S. Thompson, contributing author, along with Russell Pittman and Stephen Perkins, to ECMT, **"Regulatory Reform of Railways in Russia,"** Paris, ECMT, 2004. See also Update of progress for OECD, May 2007.

- **TP-2: Privatizing British Railways: Are There Lessons for the World Bank and Its Borrowers?** Louis S. Thompson, September 2004. Authored by Lou Thompson, recently retired as the World Bank's Railways Adviser, this paper was written to see what lessons Britain's experience of rail privatization might have for the Bank's client countries.
- **Regulatory Reform of Railways in Russia. Updated Summary and Conclusions.** Published by the European Conference of Ministers of Transport and available at the ITF Website. February 2005.
- **New Rail Passenger Structure in the United States: Using Experience from the E.U., Japan and Latin America.** Louis S. Thompson, November 2003.
- Louis S. Thompson, “**The Rail Regulatory Challenge in Russia: Making a Complex Approach Work**”, OECD Conference in Moscow, May 22, 2003.
- Louis S. Thompson and Graham Smith, “**The Coming Challenge of Rail Freight Regulation in China**” Published in Railway Economics Research, Economics and Planning Research Institute of China, July 2003.
- **Changing Railway Structure and Ownership: Is Anything Working?** Louis S. Thompson. Transport Reviews, 2003, Vol. 23, No. 3, 311-355. *Copies can be obtained from the publisher or, upon application, from lou.thompson@gmail.com.*
